There is a limited number of lodging assistance awards available. It is suggested that lodging assistance applications be submitted as soon as possible. In the event of high demand for lodging assistance, schools/organizations may be limited in the number of awards granted. **Recipients must be registered for the conference and are still responsible for the basic conference registration fee.**

Lodging assistance awards will pay for one-half of a double-occupancy room at the conference hotel for Friday, February 26, 2010. The lodging assistance award cannot be applied to other hotels. ***It is the recipient's responsibility to make their own hotel reservation prior to the Marriott Hotel's January 27th deadline.***
